

WDMCS Community Education offers fun and enriching Adventures classes for students after school, in the evenings, and on the weekends.

All Adventures opportunities can be found online at bit.ly/wdmcs-adventures.

Registration

Registration is required for all classes and is taken on a first-come basis, so please do not send your child to class without registering them first. Some classes fill quickly, so register early to ensure a spot. If registering close to the start of class, call or check the website to confirm that space is still available. Please send registration forms back to WDMCS Community Education, NOT to your child's school.

Ways to Register

Confirmations

If an email address is provided, a confirmation will be sent automatically.

Refunds

There is a \$10 charge on all refunds except classes filled or canceled by WDMCS Community Education. To receive a refund, requests must be made by phone or in writing before the class meets a second time. For one-night classes, refunds can only be given before the class is held.

Before Class Supervision

If there is a class at your child's school that starts at 3:30 p.m. or 4:15 p.m., the teacher will provide supervision in their classroom until the class starts, so your child may go directly there after school. There is no supervision provided before other classes, so your child should not arrive more than five minutes before the class start time.

Getting to Class and Kids West

Adventures instructors are not responsible for getting children to the classes, so please make sure that your child and his/her teacher know that they need to go to the class after school. If your child normally attends Kids West, please let the staff there know that your child is supposed to attend a class. Please make sure your child knows whether to go to Kids West or wait for a ride after the class is over.

Scholarships

Scholarships are available to WDMCS residents who qualify. To learn more, please call 515-633-5001.

Contact Information

Occasionally a class will have to be canceled or postponed due to weather, teacher illness, or low enrollment, so please make sure we have up-to-date contact information for you.

Class Offerings

The locations of most of our Adventures classes are determined by the home school of the interested teacher. If a teacher is from outside the district, classes are rotated throughout the district schools. If you have an idea for a new class, are interested in offering a class, or know of someone who is, please contact us at communityeducation@wdmcs.org.

Questions

Please call 515-633-5001 or email communityeducation@wdmcs.org.

Hold Harmless Agreement

Participation in WDMCS Community Education Adventures Program is entirely voluntary. The West Des Moines Community Schools and its directors, officers, employees, and agents assume no liability for injury to any child during his/her participation in Community Education Adventures Program. The parent/guardian will be responsible for paying all expenses, costs, and fees associated with any emergency medical care and/or treatment of the child relating to the child's participation in Community Education Adventures Program. The parent/guardian releases the West Des Moines Community Schools and its directors, officers, employees, and agents from any liability in connection with the child's participation in Community Education Adventures Program, to the fullest extent permitted by law.
